Por un lamentable error en un Artículo Original de la Revista MÉDICAS UIS publicado en el N° 3 de 2016 (MÉD. UIS. 2016;29(3):13-25) existe una errata en el proceso de diagramación del artículo “**Efectividad del tratamiento con Alveofact® y Curosurf® en prematuros de 32 semanas o menos con enfermedad de membrana hialina en Buga, Valle del Cauca, entre los años 2006 y 2013**”. La errata consiste en que se alteró la bibliografía utilizada dentro del mismo, omitiéndose las referencias 43 a la 50. A continuación se presenta la corrección realizada al apartado de Referencias Bibliográficas, donde dice:
