REVISTA ION
ISSN: 0120-100X

SIRS:

REVISTA ION
SCHOOL OF CHEMICAL ENGINEERING
FACULTY OF PHYSICOCHEMICAL
Universidad Industrial de Santander

The commitments that we, as authors, assume by this form, are framed in Articles 76 and 77 of Law 23 of 1982 of the Republic of Colombia and other international rules on copyright, as follows:

1. Those signing below, we agree to submit to evaluation, under the criteria established by the Editorial Policy of the Journal **ION**, the present article titled:

2. The article is original, unpublished and has not been not submitted for evaluation of another journal, with no impediment of any kind for the publication release that is being done, assuming also any kind of demand, plagiarism or other kind of claim about what could occur.

3. We state that this manuscript has not been accepted for publication and we have not assigned, given allowance or released any rights or interests of the manuscript to anyone.

4. We are able to prove the corresponding permissions on the original copyright aspects or elements taken from other documents (texts of more than 500 words, tables, figures or graphics, among others).

5. If our article is published, we transfer freely all economic rights to the publisher of the journal **ION** and authorize the copying, reproduction, distribution, publishing and marketing of it, whether it is printed, electronic, on internet, or media now known or unknown.

The journal **ION** is committed to the authors:

Mention the author and give credit for the authorship of this work ever to be published in whole or in part, or make a statement or quote from this work and is committed not to alter the text of the article without the consent of the author(s).

The authors keep the rights to:

- Reproduce copies of all or part of the article for personal use, including use in presentations, the use of article by the author for academic and personal use of his colleagues, ensuring that the copies are not exposed for sale or distributed systematically affecting the novelty and originality of the journal **ION**.
- Use the whole or part of their articles in books, texts or other audiovisual material by the respective bibliographic quotation.

In witness whereof this present form is signed in Bucaramanga on the _____ of _____, 20_____..
